PRIVATE LESSONS

Once you have grasped the basics, you may want to refine your technique, speed up your learning and ask more specific questions that can only be addressed in private lessons. To arrange, please send an email to info@dancetrinity.com with your request.

Movement Culture follows the system developed by Ido Portal and is based on Ido's movement perspective. The goal is to develop a general movement practice, using a variety of methods, techniques and systems to help students to "write their own body manual". Using movements from different disciplines, the idea is to free the body and enhance awareness, strength, flexibility and mobility without being tied to fixed forms or limited postures.

Remember, we're open 365 days a year, even on public holidays and in most typhoon signals. For any scheduled cancellations, please check the holidays section overleaf.
